## Attention: Indigenous Land Corporation

We are a 100% Aboriginal-owned company growing and supplying top quality Lucerne, Oaten and Sorghum hay. We have established a 300 acre centre pivot irrigation system at Gerard Community near Berri on the River Murray and we are keen to supply our feed to Aboriginal owned grazing operations across Australia.

Hay is currently available in

- Large round rolls 330-350kg
- Small square bales 25kg (800mm x 300mm x 450mm)

Gerard Pastoral Company has the following hay available for sale
